This unprecedented release of a Guatemalan feature in Lithuania is the first action undertaken by a member from our newborn network EDEN [European Distributor and Exhibitor Network].

This network gathers exhibitors and distributors from Bulgaria, Croatia, France, England, Ireland, Italy, Lithuania, Netherlands, Spain, all former participants of the CINE SIN FRONTERAS WORKSHOP willing to bring diversity in their programming and line-up.

We will send you further information about this network very soon.

CINE SIN FRONTERAS is a consortium composed by independent professionals based in more than 30 countries in Europe and in Latin-America.
